

Licensing Panel (Licensing Act 2003 Functions)

Brighton & Hove City Council

Subject:		Application for a New Premises Licence under the Licensing Act 2003	
Premises:		Dracula’s House, 58 London Road, Brighton, BN1 4JE	
Applicant:		Dracula’s House Ltd	
Date of Meeting:		14 May 2025	
Report of:		Corporate Director for City Operations	
Contact Officer:	Name:	Corinne Hardcastle	Tel: 01273 292100
	Email:	corinne.hardcastle@brighton-hove.gov.uk	
Ward(s) affected:		West Hill & North Laine	

1. PURPOSE OF REPORT AND POLICY CONTEXT

- 1.1 To determine an application for a New Premises Licence under the Licensing Act 2003 for Dracula's House.

2. RECOMMENDATIONS:

- 2.1 That the Panel determine an application for a New Premises Licence under the Licensing Act 2003 for Dracula's House.

3. CONTEXT/BACKGROUND INFORMATION & CONSULTATION

- 3.1 The application is for a New Premises Licence under the Licensing Act 2003. The application proposes: ***"Small convenience shop with a limited range of alcoholic drinks, the premises has just one entrance and benefits of electric shutters"***

- 3.2 Part M of the application is detailed at Appendix A and the proposed plan of the premises is attached at Appendix B.

- 3.3 Summary table of proposed activities:

	Proposed	
Supply of Alcohol	Monday-Saturday 08:00-21:00	Off the Premises
	Sunday 09:00-18:00	Off the Premises
Hours premises are open to public	Monday-Saturday 08:00-21:00 Sunday 09:00-18:00	

- 3.4** Special Stress Area: The premises falls within the Special Stress Area. This area is deemed an area of special concern in terms of the levels of crime, disorder, and public nuisance experienced within them. (See paragraphs 3.2 – 3.2.5)

Representations received

- 3.5** Details of the representations made are notified to applicants on receipt by the Licensing Authority using a pro-forma. A summary appears below:
- 3.6** 13 representations were received. They were received from local residents and a local Councillor.
- 3.7** Representations received had concerns relating to Prevention of Crime and Disorder, Public Safety, Prevention of Public Nuisance and the Protection of Children from Harm.
- 3.8** Conditions were agreed between Sussex Police and the applicant.
- 3.9** Full details of the representations and Sussex Polices' agreement are attached at Appendix C. A map detailing the location of the premises is attached at Appendix D.

4. COMMENTARY ON THE LICENSING POLICY

- 4.1** The following extracts from Brighton & Hove City Council Statement of Licensing Policy are considered relevant to this application and **are numbered as they appear in the policy**:

1 Introduction

1.1 This Statement of Licensing Policy has been prepared in accordance with the provisions of the Licensing Act 2003 (the Act) and having regard to Guidance issued by the Home Office under Section 182 of the act. This policy takes effect from the 4th February 2021. The licensing authority is Brighton & Hove City Council. The purpose of this statement is to promote the licensing objectives and set out a general approach to making licensing decisions. The discretion of the licensing authority in relation to applications under the act is only engaged if 'relevant representations' are made by other persons or responsible authorities. This policy will inform the approach to be taken when deciding applications and imposing conditions when relevant representations are received. It is also intended as a guide for applicants as to what to include in their operating schedules, always recognising that if no representations are received, the application must be granted. The licensing authority must carry out its functions with a view to promoting the licensing objectives and this policy is framed around those objectives. Each application will be given individual consideration on its merit. The scope of this policy covers the following:

- Retail sales of alcohol.
- The supply of alcohol by or on behalf of a club, or to the order of, a member of the club.
- The provision of regulated entertainment.
- The provision of late night refreshment.

1.2 The licensing objectives are:

- (a) the prevention of crime and disorder.
- (b) public safety.
- (c) the prevention of public nuisance; and
- (d) the protection of children from harm.

1.3 Scope

1.3.1 Licensing is about regulating licensable activities on licensed premises, by qualifying clubs and at temporary events. Any conditions attached to various authorisations will be focused on matters which are within the control of individual licensees and others with relevant authorisations, i.e. the premises and its vicinity. Each application will be given individual consideration on its merit. Nothing in this policy shall undermine the right of any individual to apply under the terms of the act for a variety of permissions and to have any such application considered on its individual merits. Similarly, nothing in this policy shall override the right of any person to make representations on an application or seek a review of a licence or certificate where provision has been made for them to do so in the act.

3 Special Policies and Initiatives

3.2 Special Stress Area

3.2.1 The map below details the area of the city centre which borders the Cumulative Impact zone at 3.1.3 and which is deemed an area of special concern in terms of the levels of crime and disorder and public nuisance experienced within it. The area recommended for further monitoring and detailed guidance within the Special Policy comprise the following as pictured below delineated in purple:

The Special Stress Area - an area bounded by and including: The west side of Hove Street/Sackville Road, northwards to the intersection with the north side of Blatchington

Road, along north side of Blatchington Road and Eaton Road, southwards at the junction onto the east side of Palmeira Avenue and then eastwards at the junction onto the north side of Landsdowne Road; eastwards to the junction with Furze Hill, along the north side Furze Hill to its end and then due east along the north side of Victoria Road to its junction with Montpelier Road (west side), north to where Montpelier Road joins Vernon Terrace then north to Seven Dials; north west along the west side of Dyke Road until the junction with the Old Shoreham Road, then East along the north side of Old Shoreham Road, continuing on the north end of New England Road, north west at Preston Circus at the junction of New England Road and Preston Road along the west side of Preston Road until the junction with Stanford Avenue then and north east along the north side of Stanford Avenue until the junction with Beaconsfield Road, south along the east side of Beaconsfield Road until the junction at Preston Circus and Viaduct Road, eastwards along the north side of Viaduct Road, then at the junction with Ditchling Road, North East along the north side of Upper Lewes Road until the junction with Lewes Road; south along the Lewes Road to junction with Hartington Road, along the north side of Hartington Road until the junction with St. Helen's Road, south into the north side of May Road, eastwards until its junction with Freshfield Road (east side), then south into Upper Bedford Street, into Bedford Street to the mean water mark south of Bedford Street, then due west until the mean water mark south of Lower Rock Gardens; North on Upper Rock gardens, to the north side of Eastern Road, west along Eastern Road and Edward Street until Grand Parade, north along the Eastern side of Grand Parade to the junction of York Place and Trafalgar Street, West along the Northern boundary of Trafalgar Street, up to and including Surrey Street and then South along the Western boundary of Queens Road to the junction with Air Street, West along the north side of Air Street, South-west to the junction of Western Road Brighton, then West along the North side of Western Road Brighton, South along the West side of Holland Road to the mean water mark south of Kingsway and Kingsway Esplanade as far as the west side of Hove Street/ Sackville Road.

3.2.2 This Special Stress Area (SSA) is of concern to the licensing authority because of the relatively high levels of crime and disorder and nuisance experienced within it. The area will be kept under review.

3.2.3 New and varied applications for premises and club premises certificates within the SSA will not be subject to the presumption of refusal, but operators will be expected to pay special attention when drawing up their operating schedules and to make positive proposals to ensure that their operation will not add to the problems faced in these areas. Appendix A of the SoLP sets out a list of potential measures the licensing authority considers may be appropriate. These may be more or less appropriate depending upon the style of operation applied for.

3.2.4 On receipt of any application in the SSA, where a relevant representation has been made, the licensing authority will scrutinise the application carefully and will look at the measures proposed in the operating schedules and compare them to the measures set out in Appendix A, Licensing Best Practice Measures. Where discretion has been engaged, those applications which fall short may be refused or conditions applied to comply with policy measures.

3.2.5 The Licensing Authority will keep the Cumulative Impact Zone and Special Stress Area under review. Should the authority find that problems of crime and disorder or nuisance are not improving, or are worsening, the Special Policy will be reviewed.

3.3 The Matrix Approach

The Licensing Authority will support:

3.3.1 Diversity of premises: ensures that there is a mix of the different types of licensed premises and attracts a more diverse range of customers from different age groups, different communities and with different attitudes to alcohol consumption. It gives potential for positively changing the ambience of the city or an area of it. This will have a positive effect in reducing people's fear of crime and in increasing the number of evening visitors to the city centre. The Community Safety Strategy recognises that too many single uses in a confined area and patrons turning out onto the streets at the same time may create opportunities for violent crime and public disorder and therefore supports mixed use venues encouraging a wider age balance.

3.3.2 A "matrix" approach to licensing decisions has been adopted and is set out below. It provides a framework of what the licensing authority would like to see within its area and gives an indication of the likelihood of success or otherwise to investor and businesses making applications.

Matrix approach for licensing decisions in a Statement of Licensing Policy (times relates to licensable activities)

	Cumulative Impact Area	Special Stress Area	Other Areas
Restaurant	Yes (midnight)	Yes (midnight)	Yes (midnight)
Café	Yes (10 pm)	Yes (10 pm)	Yes (10 pm)
Late Night Takeaways	No	Yes (midnight)	Yes (midnight)
Night Club	No	No	No
Pub	No	Yes (11pm)	Yes (midnight)
Non-alcohol lead (e.g. Theatre)	Yes (favourable)	Yes (favourable)	Yes (favourable)
Off-licence	No	No	Yes (Up to 11pm but if in densely residential area may be earlier – see note 7 below)
Members Club (club premises certificate)	Yes (<100 capacity) (11pm)	Yes (<100 capacity) (11pm)	Yes

Notes on matrix

Subject to the following notes, the policy, as represented in the matrix, will be strictly adhered to:

- 1) Each application will be considered on individual merit
- 2) Applications within the CIZ are subject to the special policy on cumulative impact at para 3.1, and those within the special stress area to the special stress policy considerations at para 3.2.
- 3) Departure from the matrix policy is expected only in exceptional circumstances
- 4) Exceptional circumstances will not include quality of management or size of venue except where explicitly stated in policy matrix.
- 5) Exceptional circumstances may include: consultation with and meeting requirements of responsible authorities, an appropriate corporate social responsibility policy, community contribution to offset impact (such as financial contribution to infrastructure), community support, alcohol sale ancillary to business activity (demonstrable to responsible authorities and licensing authority, for instance by licence condition allowing authorised officers access to sales accounts).
- 6) The following licensing activities are encouraged and valued by the licensing authority: outdoor regulated entertainment, community based street parties, members clubs, traditional pubs outside the city centre and non-alcohol led licensable activities, particularly within city centre.
- 7) Other Areas; consideration will be given to the nature of the area and location in relation to any application. In a residential area for example the concerns of local residents will be relevant when considering applications for off-licences, pubs or cafes, especially if there is evidence of anti-social behaviour, street drinking or underage drinking. Earlier closing times may be appropriate. Regard will be had to the Public Health Framework for assessing alcohol licensing on our website.
- 8) In an area where there are already several existing off-licences or where the premises is situated within a parade with another off licence and where representations are received about negative cumulative impact on the licensing objectives of a further premises, the application may be refused on these grounds or restrictions placed on the terminal hour to reflect opening hours of other shops.
- 9) Outdoor events will be supported where arranged through the council's event planning process. Generally, regulated entertainment in the open air including tents and marquees should have a maximum closure hour of 2300. Earlier hours may be imposed in sensitive open spaces or near residential areas. The licensing authority will have regard to Noise Council guidance.
- 10) Non-alcohol led category does not include "alcohol in shared workplaces". It is recommended that sale of alcohol in shared workspaces should have a terminal hour of no later than 10pm. For further advice and guidance on "alcohol in shared workplaces" please see paragraph 3.3.4-3.3.6.

3.5 Off licences

In recent years there has been a noticeable shift towards more people buying alcohol from shops and drinking at home prior to going into premises such as pubs and clubs. The council is concerned that alcohol loading from off-licence sales is a significant problem in the city and adversely affects the licensing objectives as it gives rise to problems of drunkenness, disorderly behaviour and a higher risk of alcohol sales to children. Representations from the police, local residents and the director of public health at licensing panel hearings have testified to these problems and Information published in the Public Health Framework for assessing alcohol licensing presents a ward by ward analysis of crime and disorder and health data which is relevant in this respect.

3.5.1 The special policy on cumulative impact and the special stress areas apply to off licences as explained in the matrix approach at 3.3. But in general, where applications are made for new premises or variations to existing licences, and where the police or others make representations against the grant of a further licence for off sales, the council will give specific consideration to restricting the number, type, and the hours of premises selling alcohol exclusively for consumption off the premises. Decisions will be grounded in the Public Health Framework for assessing alcohol licensing. The council will want to be assured that the operating schedule of premises, and their overall management, training and levels of staffing, are appropriate to ensure that the licensing objectives are promoted in what may be challenging circumstances. Retail outlets and stores where the provision of fresh produce is the principal product sold maybe considered more favourably.

3.5.2 The Licensing Authority encourage off licences to join the Council led “Sensible on Strength” scheme to reduce the availability of cheap super strength beers and ciders. Off licences voluntarily sign up not to sell cheap super-strength beers and ciders over 6% ABV and operate good practice measures (see 3.5.3) for which they receive an accreditation as a responsible retailer.

3.5.3 Areas of best practice that may be included in an Operating Schedule include

- the installation of a digital CCTV system by liaison with, and to a standard approved by Sussex Police
- Challenge 25 policy
- Refusals system
- Documented staff training including underage sales, drunkenness and proxy sales
- Voluntary restriction of high strength alcohol - operating schedules may be used to limit high ABV beers and ciders
- BCRP membership (or other accredited scheme)
- No sale of single cans
- Displays should not be located at the entrance/exit points or near checks out

3.5.4 The Licensing Authority and Sussex Police have specific concerns around the delivery of alcohol off the premises due to issues around the end location of delivery, age verification checks (Challenge 25), the increased possibility of the alcohol coming into the CIZ and SSA from other areas, as well as the personal safety of drivers when having to refuse a delivery at the end destination.

3.5.5 Alcohol delivery poses a unique set of challenges as it often transfers the final age verification to a person who has no responsibility in relation to the Premises Licence which authorised the sale of alcohol. A premises licence holder needs to be satisfied that their drivers or the delivery drivers of the third party company they chose to use, have received regular and comprehensive training in age verification and identifying persons who have consumed too much alcohol.

3.5.6 Evidence has shown that customers have previously used landmarks/businesses not related to them as addresses for delivery so that alcohol could be consumed in open spaces/parks. The risk being that this may lead to increased crime and disorder including anti-social behaviour and criminal damage, as well as the possibility that underage persons can gain access to alcohol. Concerns have also been raised about the delivery of alcohol to known street drinking hotspots. Therefore, a condition requiring all deliveries to be to a verifiable residential or business address and a face to face ID verification is vital in mitigating some of this risk.

3.5.7 While the Licensing Authority and Sussex Police recognise this is a growing area of business, new or variation applications to include the delivery of alcohol off the premises will be subject to increased scrutiny. Suggested conditions for the provision of an alcohol delivery service can be found at Appendix A. These are not exhaustive and each application will be considered on its own merits.

3.6 Street drinking

3.6.1 The Licensing Authority will have regard to areas highlighted by Sussex Police that are at risk from alcohol related anti-social behaviour. The nature of these areas can be fluid/seasonal and so updated maps and data will be produced regularly to ensure the information is current. These hot spot areas are considered high risk for street drinkers and the Licensing Authority will have regard to prevention of crime and disorder by virtue of street drinking and anti-social behaviour when considering applications in this area.

4 Prevention of Crime and Disorder

The following details and measures are intended to address the need for the prevention of crime and disorder which may be associated with licensed premises and certificated club premises. Conditions attached to licences and certificates will, as far as possible, reflect local crime reduction strategies.

4.1.1 The licensing authority acknowledges that training and good management play a key part in preventing alcohol and drug related crime. The authority expects that all licensees of on-licensed premises attend training programmes which will raise their awareness of the issues relating to drugs and violence in licensed premises, and that suitable training be extended to all bar staff and door supervisors so that drug dealers and users will be deterred from using licensed premises for illegal purposes and that incidents of violence in licensed premises will be reduced. Licensees are also encouraged to attend training programmes to help identify children at risk and issues of basic child protection. It is the duty of the designated premises supervisor (DPS) to train staff on induction concerning conditions on their premises licence.

- 4.1.2 It is expected that the DPS will spend a significant amount of time on the premises. When not on the premises it will be essential that the DPS is contactable, particularly should problems arise with the premises and that staff are authorised by the DPS.
- 4.1.3 The location of violent attacks, anti-social behaviour and hate crime or related incidents may be used to justify closing times.

4.2 Care, control and supervision of premises

4.3.1 The Licensing authority supports the Business Crime Reduction Partnership and other approved schemes. Where appropriate, premises licence holders should be members of the BCRP for the deterrence to violent crime that such membership provides. The BCRP NightSafe radio scheme is normally expected as an operational requirement for city centre bars, clubs and pubs and is an example of good practice in achieving the aim of reducing crime and disorder and improving public safety. Well managed pub-watch schemes provide information exchange between the premises licence holders and responsible authorities that reduce and deter violent crime and disorder. The council will support a responsible licensing scheme.

4.3.2 The effective management and supervision of a venue is a key factor in reducing crime and disorder, both within it and outside. The police will consider the applicants, objecting to the application where appropriate. The police may suggest crime prevention measures in relation to, for example, the internal layout of the premises, closed-circuit television, help points, lighting and security staff. The police may ask for conditions which support such measures to be imposed when licensing applications are granted, eg type of licence, capacity, operating hours restrictions.

4.3.3 Following the grant of a licence, the management and supervision of the premises, in so far as it might impact on crime and disorder, will continue to be monitored. Particular attention will be paid to any licensed premises where there is evidence of criminal activity or any association with racist or homophobic crime. The licensing authority will keep itself well briefed on the nature, location and type of premises where alcohol related violence and disorder are occurring so it can take full account of the facts and avoid exacerbating problems as required by the Community Safety Strategy. Where licensed premises are found to cause nuisance or be associated with disorder or unreasonable disturbance, the review process may be invoked, and powers of revocation or the imposition of conditions may be considered. Conditions may include use of closed-circuit television, licensed door supervisors and earlier closing times. Such action to restrict the operation may be taken for trial periods to allow businesses an opportunity to remedy existing disorder, nuisance or disturbance.

4.3.4 This policy recognises the use of registered Door Supervisors All Door Supervisors will be licensed by the Security Industry Authority. Mobile security units and similar systems are in use by some premises operators as a means of providing security cover at very short notice at premises which may not normally require a permanent security presence. This policy endorses the use of units following such guidance and standards in appropriate circumstances.

4.3.5 The development of codes of practice and general operating standards for security companies is encouraged for local businesses; premises operators are urged to ensure that security services, when engaged, are provided by suitably qualified businesses operating to recognised standards and who should be working towards SIA accreditation.

4.3.6 Enforcement will be achieved by the enforcement policy appended (Appendix B).

5 Public Safety

The following details and measures are intended to address the need for the protection of public safety which may be associated with licensed premises and certificated club premises.

5.1.1 The permitted capacity is a limit on the number of persons who may be on the premises at any time, following a recommendation by the relevant fire and rescue authority under the Regulatory Reform (Fire Safety) Order 2005. For any application for a premises licence or club premises certificate for premises without an existing permitted capacity where the applicant wishes to take advantage of the special provisions set out in section 177 of the 2003 Act, the applicant should conduct their own risk assessment as to the appropriate capacity of the premises. They should send their recommendation to the fire and rescue authority which will consider it and decide what the “permitted capacity” of those premises should be.

5.1.3 Conditions may be imposed in accordance with operating schedules to protect public safety including where justified:

- (a) provision of closed-circuit television and panic buttons.
- (b) use of shatterproof drinking vessels; bottles requiring use of toughened glass or plastic should normally be required unless applicants can show exceptional reasons.
- (c) use of door supervisors, licensed by the Security Industry Authority.
- (d) requirement of a minimum of a licensed door supervisor for every 100 customers in nightclubs and large city centre pubs or as indicated by risk assessment.
- (e) occupant capacity conditions will be applied where appropriate.
- (f) the provision of designated and suitably trained first aiders.

5.1.4 Where appropriate, licence holders or their authorised representatives will submit event safety plans and operating manuals, attend Event Planning Teams or Safety Advisory Groups and similar meetings prior to large events and shall be part of Event Liaison Teams during such events. Due regard shall be had to relevant guidance and publications including, for example: HSE approved code of practice for events

6 Prevention of Public Nuisance

The following details and measures are intended to address the need for the prevention of public nuisance which may be associated with licensed premises and certificated club premises:

6.1.1 In determining applications for new and varied licences, regard will be had to the location of premises, the type and construction of the building and the likelihood of

nuisance and disturbance to the amenity of nearby residents by reason of noise from within the premises, as a result of people entering or leaving the premises or from individuals or groups of customers gathered outside (eg in order to smoke).

6.1.2 Applications for new licences or for the extension in size of licensed premises should not normally be granted if the premises will use amplified or live music and operate within or abutting premises containing residential accommodation except that occupied by staff of the licensed premises. A condition may be imposed on new licences that entertainment noise shall be inaudible in any residence. Noise emanating from within licensed premises should not normally be audible outside.

6.1.5 In determining applications for new licences or extensions in hours or terminal hours of licensed premises, regard will be had to late night public transport availability and location of taxi ranks to aid dispersal of customers.

6.1.6 Reasonable controls are available to all premises operators to minimise the impact of noise from customers outside. The council's Environmental Health Department has issued guidance on a number of steps that can be taken in this respect which are endorsed by this policy (see 6.2 below).

6.2 Smoking Advice

6.2.1 Premises licence holders will be expected to:

- Develop a management plan on how to manage smoking on your premises and ensure that all staff are aware of the contents of this plan, and that it is effectively implemented. Noise from people smoking and talking can be intermittent, vary in character and volume and be intrusive. An effective smoking management plan will help prevent neighbours being disturbed.
- Comply with any planning conditions restricting the use of outdoor areas.
- Ensure that any structures used by smokers comply with the design criteria detailed in the Heath Act 2006 and that any structures, awnings, retractable canopies, etc. have the relevant planning permission.
- Ensure any new lighting to outdoor areas must be designed so as not to cause a light nuisance to neighbours and again have the relevant planning permission and building control consent.
- Ensure that the conditions on the premises licence are complied with. There may be conditions restricting the hours of use of gardens and outdoor areas. Having reviewed the contents of the premises licence you may find it necessary to request a variation of your licence.
- Licence tables and chairs on the Public Highway under the provisions of the Highways Act 1980. These licences may have conditions restricting the times that the area can be used.
- Ensure drinks, glasses and bottles are not taken onto the highway unless there is a tables and chairs licence permitting use. A system should be adopted to prevent theft and 'spiking' of drinks and reminding customers not to leave unattended items.
- Discourage smokers remaining in gardens and outdoor areas and determine terminal hours.
- Discourage smokers remaining outside by removing/disabling tables and chairs or prohibiting their use after a certain time. Lights and heaters will also be turned off.
- Introduce a system that after a certain time the number of smokers outside are restricted to a maximum number. Staff will be needed to manage this restriction.
- Employ staff and/or SIA registered door supervisors to manage doors and control customers and smokers entering and leaving the premises. Staff positioned on the doors can help to encourage customers not to cause a noise problem. It may be that staff are required to manage doors after a certain time, particularly during the hours when neighbouring residents are trying to sleep.
- Ensure door supervisors maintain order outside venues and protect customer safety. BCRP supports the use of Night Safe. Radio net and other pager systems and pub watch schemes can be used to provide for rapid police response and alert other venues where customers and staff are endangered.

- Position signs to remind customers that the premises is in an area where people live. It is not always obvious in busy commercial streets with flats above. By changing the design and wording of signs customers do not forget. Signs can be located in and outside the premises and on tables.
- Use CCTV to manage outside areas.

6.2.2 Licensed premises should normally display prominent, legible signs at exits reminding customers to leave in a quiet, peaceful, orderly manner.

7 Protection of Children from Harm

The following details and measures are intended to address the need for the protection of children from harm; this includes emotional and physical harm which may be associated with licensed premises and certificated club premises (for example the exposure too early to strong language and sexual expletives, eg in the context of film exhibitions or where adult entertainment is provided). It is intended that the admission of children to premises holding a premises licence or club premises certificate should normally be freely allowed without restricting conditions (unless the 2003 Act itself imposes such conditions or there are good reasons to restrict entry or to exclude children completely).

7.1.1 Licensees should note the concern of the authority that drink related disorder frequently involves under 18's. To prevent illegal purchases of alcohol by such persons, all licensees should work with a suitable 'proof of age' scheme and ensure that appropriate identification is requested prior to entry and when requesting alcohol, where appropriate. Appropriate forms of identification are currently considered to be those recommended by police, trading standards officers and their partners in the Licensing Strategy Group (eg passport, photo driving licence or pass card).

7.1.2 It is the licensing authority's expectation that all staff responsible for the sale of intoxicating liquor receive information and advice on the licensing laws relating to children and young persons in licensed premises. Licensed premises staff are required to take reasonable steps to prevent under age sales. The licensing authority will not seek to limit the access of children to any premises unless it is necessary for the prevention of emotional or psychological harm to them. Each application will be considered on its own merit but particular areas that will give rise to concern in respect of children are to be found in section 7.1.4 below.

7.1.3 To reduce alcohol-induced problematic behaviour by under 18 year olds, to enforce underage purchase and drinking laws and to assist in the protection of children from harm, the licensing authority supports the following measures:-

- a) Police should exercise powers (Confiscation of Alcohol (Young Persons) Act 1997) to remove alcohol from young people on the street
- b) Police and trading standards should implement test purchasing to reduce sales to under 18s in on and off sales licensed premises
- c) Further take-up of proof of age schemes will be promoted

d) In-house, mystery shopper type schemes operated by local businesses will be supported

e) Providers of events specifically catering for unaccompanied children should consider whether all staff at such events need to be DBS checked

7.1.4 The licensing authority will not seek to require that access to any premises is given to children at all times – under normal circumstances this will be left to the discretion of the licensee. The following areas give rise to concern in respect of children, who will normally be excluded from premises:

- where there have been convictions for serving alcohol to minors or with a reputation for underage drinking.
- with a known association with drug taking or dealing.
- where there is a strong element of gambling on the premises.
- where entertainment of an adult or sexual nature is commonly provided.
- where premises are used primarily or exclusively for the sale and consumption of alcohol and there is little or no seating for patrons.

Options may include:

- limitations on the hours when children may be present.
- age limitations (below 18).
- limitations or exclusions when certain activities are taking place.
- requirements for an accompanying adult.
- full exclusion of people under 18.

The “What to do” booklet is a national one and can be accessed at:

www.brightonandhoveiscb.org.uk/wp-content/uploads/What-to-do-if-a-child-isbeing-abused.pdf

Probably also worth getting him to put in that if you are concerned about a child locally to contact the Multi-Agency Safeguarding Hub (MASH) on 01273 290400, or you can contact Sussex Police on 101. If they think a child is in immediate danger to dial 999.

7.1.7 Trading standards and the police undertake ongoing enforcement operations around under-age sales and test purchasing. Sussex Police and BCRP undertake work concerning proxy purchases and counterfeit ID as part of the partnership support work with Community Safety and Trading Standards.

7.1.8 Trading standards have a programme of business support including training for local businesses to avoid under-age sales.

8 Integration of Strategies

8.1.1 The licensing authority shall secure the proper integration of this policy with local crime prevention, planning policy, transport, tourism and cultural strategies by:-

- Liaising and consulting with the Sussex Police, Community Safety Forum, Sustainability Commission representatives and following the guidance in community safety and crime and disorder strategy
- Liaising and consulting with Public and Alcohol Programme Board

- Liaising and consulting with the East Sussex Fire & Rescue Service
- Liaising and consulting with the Local Strategic Partnership, Safety Advisory Group (Emergency Planning) and Equalities and Social Justice Consultation Forum
- Liaising and consulting with the Planning authority
- Liaising and consulting with the Highways authority
- Liaising and consulting with local business and business associations. Having regard to any future documents issued relating to the Private Security Industry Act 2001, for example liaison or information sharing protocols
- Liaising and consulting with the Trading Standards Team, for example with regard to test purchasing codes of practice

8.1.2 In line with statutory requirements and the council's Inclusion Policy, the Licensing Authority shall have due regard to the need to eliminate unlawful discrimination, and to promote equality of opportunity and positive relations between persons of diverse backgrounds, for example communities of interest such as: lesbian, gay, bisexual and transgender people; disabled people; racial and ethnic groups; religious and faith groups.

8.1.3 This policy supports the aims of the tourism strategy, recognising the benefits for the tourism economy of creating a safer and more attractive city centre and improving competitiveness with other European cities. The Licensing Committee should receive any reports relevant to the needs of the local tourist economy and the cultural strategy for the area to ensure that it considers these matters.

8.1.4 The Licensing Committee should receive relevant information relating to the employment situation of the area and the need for new investment and employment where appropriate.

8.1.5 Specific conditions may be attached to premises licences to reflect local crime prevention strategies. Such conditions may include the use of closed circuit television cameras, use of the NightSafe radio system or accredited scheme, the provision and use of shatterproof drinking receptacles, drugs and weapons search policy, the use of registered door supervisors, specialised lighting requirements, hours of opening. Certificates issued to club premises shall reflect local crime prevention strategies and may include any or all of the requirements listed above.

8.1.6 The licensing authority will have regard to the need to disperse people quickly and safely from the city centre to avoid concentrations which may produce disorder and disturbance.

8.3 Enforcement

8.3.1 The Enforcement of licensing law and inspection of licensed premises is detailed in the Protocol between Sussex Police, the East Sussex Fire & Rescue Service and Brighton & Hove City Council. This protocol reflects the need for more efficient deployment of Police and Local Authority staff commonly engaged in licensing enforcement and can be found at Appendix D (Lead Agency Status) of the Statement of Licensing Policy. In addition, the Licensing Authority will have regard to its published Licensing Enforcement Policy in making enforcement decisions in

accordance with Brighton & Hove City Council's Statement of Licensing Policy (Appendix B). In order to better target enforcement resources, inspections will be undertaken outside of normal office hours and the sharing of information between all enforcement agencies will be encouraged through joint meetings or similar arrangements.

8.3.2 Attention is drawn to the targeting of agreed problem and high risk premises requiring greater attention as identified in the protocol. A number of other council and government policies, strategies and guidance documents must be taken into account to complement the policy, including:

- Community Safety & Crime Reduction Strategy
- Drugs and alcohol strategies – local alcohol harm reduction strategy
- Objectives of the Security Industry Authority
- The Anti-Social Behaviour Act 2003/ASBPC Act 2014
- The Health Act 2006
- The Violent Crime Reduction Act 2006
- Policing and Crime Act 2009

APPENDIX A – Licensing Best Practice Measures

Best Practice Measures to be included for consideration, in particular in SSA: Matters that would normally be expected in operating schedules:

- the adoption of a policy (e.g. Challenge 25) with acceptable proof of ID as per existing Statement of Licensing Policy
- all off sales to be made in sealed containers for consumption away from the premises
- a smoking policy which includes an assessment of noise and litter created by premises users
- the use of plastic or polycarbonate drinking vessels and containers, especially in outside areas or after specified hours
- a policy in relation to searching customers and for drugs, weapons, seized or lost and found property
- use of a refusals book for registering attempts to buy alcohol by under-age persons or refusals to those intoxicated
- the installation of a digital CCTV system by liaison with, and to a standard approved by, Sussex Police
- policies for dispersal of customers which may include signage regarding taxi services' telephone numbers and advice to respect neighbours and minimize noise

Items to which positive consideration would be given:

- membership of Business Crime Reduction Partnership, Pubwatch, Neighbourhood Watch or similar schemes
- use of 'Night Safe' radio system or similar accredited scheme
- regular training and reminders for staff in respect of licensing legislation, policies and procedures; records of which should be properly recorded and available for inspection
- records of regular checks of all parts of the premises in relation to drug use
- systems in place to ensure details of barred clients are exchanged with other operators

- giving an agreed minimum notice of special events (screening of major sports events, birthday parties, adult entertainment, etc.) to relevant authorities and use of appropriate additional measures at such events

Recommend best practice for both on and off premises

- Staff must be aware of the risk of the problem of proxy sales and offer assistance to responsible authorities to deter offences
- Signage on premises should set out legal duties
- Voluntary restriction of high strength alcohol – operating schedules may be used to limit high ABV beers and ciders
- Staff training – in addition to personal licence holders training, staff must be adequately trained for duties
- Challenge 25 would be the norm, particularly in the off licence trade
- Signage – proxy sale – deterrence

5. FINANCIAL & OTHER IMPLICATIONS:

Financial Implications:

- 5.1 The licensing Act 2003 provides for fees to be payable to the licensing authority in respect of the discharge of their functions. The fee levels are set centrally at a level to allow licensing authorities to fully recover the costs of administration, inspection and enforcement of the regime.

Finance Officer Consulted David Wilder

Date: 25/04/2025

Legal Implications:

- 5.2 The licensing authority must act to promote the four licensing objectives which are:

- The prevention of crime and disorder
- Public safety
- The prevention of public nuisance
- The protection of children from harm

The licensing authority must have regard to its statement of licensing policy and the guidance issued by the Secretary of State in carrying out its functions.

Lawyer Consulted: Rebecca Sidell

Date: 19/04/25

Equalities Implications:

- 5.3 Diversity is valued and strong, safe communities are vital to future prosperity. Licensing policy aims to protect children from harm including sale and supply of alcohol to children.

Sustainability Implications:

- 5.4 Licensing policy aims to prevent public nuisance and develop culture of live music, dancing and theatre.

SUPPORTING DOCUMENTATION

Appendices:

1. Appendix A – Part PM of the Application
2. Appendix B – Proposed Plan of Premises
3. Appendix C – Representations and Sussex Polices’ agreement
4. Appendix D – Map of area
