

PLANNING COMMITTEE LIST

Brighton & Hove City Council COUNCILLOR REPRESENTATION

Cllr Tim Rowkins

BH2025/00889 - The Freebutt, 1 Phoenix Place

21st May 2025:

I'd like to object to the application. Aside from the concerns around being overlooked etc., I'm particularly worried about the additional pressure in that location – the most deprived in the ward, and where the incredibly dedicated individuals and groups who are working to support residents in very difficult daily circumstances are already struggling to maintain the support needed. I think we need to make sure we are considering all of this at committee.
