

## PLANNING COMMITTEE LIST

**Brighton & Hove** COUNCILLOR REPRESENTATION  
**City Council**

**Cllr. Ty Goddard**

**BH2024/02499 – Longhill School, Falmer Road, Rottingdean**

### **18<sup>th</sup> November 2024:**

I am aware of the progress of Longhill High School and its ambition and care for its pupils. The school is also deeply rooted in its local community.

I wish to write in support of the planning application for the synthetic 3G pitch. This new facility, which many schools already take for granted, will benefit pupils and the local community.

Sport and the active participation of all pupils is important to the school and this facility will deepen and broaden the curriculum offer at the school. Girls football is a growing strength within the school and this facility will also help underpin this welcome development.
