

## **Appendix E**

### **Environmental Protection Conditions Agreed with Applicant**

1. After 23-00hrs music should be inaudible at the nearest noise sensitive receptor.
2. The event organiser shall have full control over the sound amplification equipment and the volume shall be adjusted according to the requirements of the Responsible Authority for Environmental Health (Environmental Protection).
3. The Event organiser shall effect full control over traders or other organisations on sitewhere there is amplified music being played. At the request of the Responsible Authority for Environmental Health (Environmental Protection) the event organiser shall arrange for the volume to be reduced or the playing cease if necessary.
