Lawrence Road, Hove	Replacing 1 tree and stump removal in Lawrence Road	£5,250
Stoneham Park, Hove, BN3 5FS	Replacing the litter bins in Stoneham Park with seagull proof bins.	Remaining budget

Woodingdean Ward (£22,000 budget)

Location	Description	Budget
Cowley Drive, Brighton	Improve Cowley Drive shops as a community hub for south Woodingdean, including enhancements to the public space, improvements to shop frontages, outdoor seating, and support for a café or similar use in a vacant unit to create a more attractive and active local centre.	£11,000
Woodingdean Well, Warren Road, Brighton	Install an interpretation plaque for the historic Woodingdean Water Well, recognising its significance as the world's deepest hand-dug well and an important feat of Victorian engineering.	£1,000
Warren Way, Brighton	Redesign the planting area outside Warren Way shopping parade, replacing outdated and overgrown landscaping with an attractive, low-maintenance scheme that improves the appearance of the local centre, supports biodiversity, and creates a more welcoming public space. This would include the removal of pebble-based concrete and the development of a new design with local community input.	£10,000

Wish Ward (£76,125 budget)

Location	Description	Budget
Jesmond Rd	Remove 2 stumps and plant 4 new trees	£24,000
Davis Park	Create small safe play area for toddlers	£4,170
Hove Lagoon	Contribution to funds being raised by the Friends of Hove Lagoon to create a new outdoor gym.	£22,000
Wish Park	Provide new tree guards for up to 20 maturing trees already planted in the park	£7,500
Aldrington Recreation ground	Provision of alternative storage provision for children's community football activities.	£15,250
