

Appendix A

M

Describe the steps you intend to take to promote the four licensing objectives:

a) General – all four licensing objectives (b, c, d and e) (please read guidance note 10)

The premises will be operated as a responsible Japanese restaurant with appropriate measures in place to promote all four licensing objectives. Delivery drivers will be managed to minimise unnecessary loitering or disturbance outside. Public safety will be promoted by maintaining the premises in a clean, safe and orderly condition. Dine-in service will cease at 01:00. Between 01:00 and 03:00, the premises will operate solely for the preparation and dispatch of food for delivery, with no customer dining. Staff and delivery drivers will be instructed to leave and attend the premises quietly and considerately, with particular care taken to minimise noise, disturbance and congregation outside. Waste and deliveries will be managed to minimise noise and disturbance to neighbouring properties. No one will be allowed to use WC after 11pm.

b) The prevention of crime and disorder

The premises will be appropriately managed and supervised at all times. Staff will be trained to prevent, identify and report incidents of crime and disorder and will deal with any incidents promptly and appropriately. An incident log will be maintained where necessary and made available to the Police or authorised officers upon request. Delivery drivers will be managed responsibly to prevent unnecessary loitering or congregation outside the premises, particularly during late-night hours. The premises will cooperate fully with the Police and other responsible authorities.

c) Public safety

The premises will be maintained in a clean, safe and orderly condition at all times. Staff will be trained in appropriate health and safety procedures and will monitor the premises for any potential hazards. Fire exits, emergency routes and access points will be kept clear and unobstructed. Suitable fire safety equipment will be provided and maintained. Staff will ensure that customers and delivery drivers can enter and leave the premises safely. Any spillages, obstructions or other hazards will be dealt with promptly. The premises will be adequately lit and staff will take particular care during the late-night period to maintain a safe environment for staff, customers and delivery drivers.

d) The prevention of public nuisance

The premises will be managed responsibly to minimise noise, disturbance and nuisance to neighbouring properties. Dine-in service will cease at 01:00, after which the premises will operate solely for food preparation and delivery until 03:00. No customer collection or dining will take place after 01:00. Delivery drivers will be instructed to avoid unnecessary noise, loitering or congregation outside the premises and to leave the area quietly and considerately. Doors and windows will be managed appropriately during late-night operations to minimise noise. Staff will monitor activity outside the premises and respond promptly to any complaints or issues. Waste, refuse collection, deliveries and other late-night activities will be managed to minimise noise and disturbance to local residents. Staff will be reminded to leave the premises quietly at the end of their shifts.

e) The protection of children from harm

The premises will operate as a family-friendly sushi and Japanese restaurant. No alcohol or adult entertainment will be provided at the premises. Staff will be trained to act responsibly towards children and to identify and respond appropriately to any safeguarding concerns. Children will be permitted to dine at the premises during normal restaurant hours and will be expected to remain under the supervision of their accompanying adults. Staff will ensure that children are not exposed to inappropriate activities, materials or behaviour. Any concerns regarding the welfare or safety of a child will be taken seriously and reported to the appropriate person or authority where necessary. The premises will maintain a safe and suitable environment for children at all times.
