PETITION REPORT

LABOUR GROUP AMENDMENT

ECO-FRIENDLY LIGHTS FOR ST ANN'S WELL GARDENS

Add a further recommendation at 2.2 as shown in bold italics:

Recommendation

2.1 That the petition is referred to the Cabinet Meeting for consideration; and

2.2 "That the Cabinet be requested to ensure that the £10,000 already allocated to St Ann's Well Gardens from the S106 funding attached to the Southdown House, Somerhill Avenue development will be spent on these eco-friendly lights 9similar to those in Hove Park). This would ensure safe night time use of the Garden's main entrance and main paths by local residents and parents of the nearby schools."
