PART ONE

29. CHAIR'S COMMUNICATIONS

- 29.1 CTEOSC members had been sent a copy of the final version of the Brighton & Hove City Employment and Skills Plan for 2011-2014. A draft version of this plan was brought to CTEOSC in March 2011 for comment, so it was not necessary to have the final version as an agenda item for this meeting. If members had any comments on the final version of the plan, the Chair advised them to email them to Cllr Amy Kennedy.
