

WRITTEN QUESTIONS FROM MEMBERS OF THE PUBLIC

A period of not more than fifteen minutes shall be allowed at each ordinary meeting for questions submitted by a member of the public who either lives or works in the area of the authority.

The question will be answered without discussion. The person who asked the question may ask one relevant supplementary question, which shall be put and answered without discussion. The person to whom a question, or supplementary question, has been put may decline to answer it.

The following written questions have been received from members of the public.

(a) Ms Lesley Beckman

“What care will inexperienced care workers across this city be required to carry out within the 15 minute time frame which the council are proposing to pay special care rates, even though a Government Minister stated publicly that all councils should dispense with 15 minute calls as they are not in the best interests of those needing care?”
