

ENVIRONMENT CABINET MEMBER MEETING

Agenda Item 78

Brighton & Hove City Council

Environment Cabinet Member Meeting 11 December 2008

Written Question from Councillor

At a meeting of the Environment Committee last year I submitted a letter seeking a 20 mph zone at Southern Cross, from the traffic lights up to the entrance to Loxdale. In this section there are two primary schools attended by over 500 children. I was told that there were several similar applications and they were being prioritised.

I have now been approached by the police expressing concern about traffic speed in this area. Please could urgent consideration be given to nominating this section of highway as a school safety zone with a 20 mph limit?
