

Appendix 2 – Summary of Changes to Draft City Plan (May 2012)

City Plan Policy Number and Title and summary	Type of Change Proposed	Reason
<p>New Policy SS1 Presumption in Favour of Sustainable Development</p>	<ul style="list-style-type: none"> • New policy reflecting wording in National Planning Policy Framework to be inserted into the Spatial Strategy. 	<ul style="list-style-type: none"> • Government requirement and standard wording for all new development plans as provided by Planning Inspectorate
<p>DA1 Brighton Centre Area Secure a new and modern conference centre in a landmark new building to benefit the city and region and sustain the tourism economy; ensuring the redevelopment benefits the surrounding area through high quality design, townscape, public realm and biodiversity improvements and complements the seafront.</p> <p>Recognises the potential for the extension of Churchill Square shopping centre (c. minimum 20,000 sq m A1 retail) and supports new hotel and leisure facilities.</p> <p>Seeks to ensure high quality public and sustainable transport is provided and pedestrian and cycle access through the area and to the seafront is improved. Encourage a more diverse evening economy in the area by addressing community safety concerns along West Street and the lower seafront promenade.</p>	<p>Minor policy text amendments:</p> <ul style="list-style-type: none"> • Seeking improvement to townscape and heritage assets, legibility and permeability • Seeking balanced and diversified evening economy in West Street (in partnership with NHS and police) • The developer should enter into a training place agreement to secure training for local people. • Reference to district heating networks • Amendment of 1b) text to clarify that edge of centre proposals will be determined in line with policy CP4. <p>Minor supporting text amendments:</p> <ul style="list-style-type: none"> • Policy will help to deliver against the local targets under the One Planet Living principles. • The City Council will ensure that a strategy is devised so that the redevelopment of the Brighton Centre is adequately managed and does not result in a shortfall of music/conference venue space should Black Rock not be available. 	<ul style="list-style-type: none"> • In response to representations. • Recommendation from Health Equalities Impact Assessment (HEQIA) 2012 • Recommendation from HEQIA 2012. • Recommendations from Energy Study • Clarification • Clarity.

City Plan Policy Number and Title and summary	Type of Change Proposed	Reason
<p>DA2 Brighton Marina Facilitate the creation of Brighton Marina as a sustainable mixed use district of the city, creating a high quality marina environment that will attract residents and visitors and extend the promenade environment up to and around the Marina and create stronger pedestrian and visual links with the sea from the Marina. This will involve ensuring a more balanced range of uses and a good mix of new housing. New development must be supported by the necessary infrastructure (health, community facilities, school places), high quality building design, townscape and public realm, biodiversity improvements, better transport infrastructure and improved pedestrian and cycle access. Opportunities for large-scale renewable energy provision are set out in the policy along with a requirement that new developments are accompanied with a Flood Risk Assessment. Overall amounts of development across the area as a whole: minimum of 1,940 additional residential units are sought together with 5,000sq m additional retail floorspace; 4,000sq m additional industrial floorspace and 9,000 sq m additional leisure and recreation floorspace. Strategic allocations are made for the Inner Harbour; the Black Rock site and the Gas Works site.</p>	<p>Minor policy text amendments:</p> <ul style="list-style-type: none"> • Strategy bullet points (no. 5) and Local Priority 13 reference to district heat network and infrastructure and supporting text at 3.23. • Strategy bullet points (no.7). Reference to non-retail floor space • Amend Part B and Strategic Allocations and floorspace figures: clarify 10,500 sq m leisure and recreation space overall and 4,000 sq m employment floorspace identified at Gas Work Site reduced to 2,000 sq m; update reference to NHS Brighton & Hove • Brighton Marina Inner Harbour allocation refer to sewerage capacity; • Gas Work allocation amend to refer to ‘a minimum of’ (85 residential units) and land contamination • Black Rock allocation - refer to National Cycle Network. • Para 3.6 – add sentence to investigate opportunities to reduce freight journeys into the city <p>Minor supporting text amendments:</p> <ul style="list-style-type: none"> • Refer to District Shopping Centre.; word ‘sustainable’ and one planet living approach • Reference to abnormal costs • New paragraph 3.16. regarding employment use on Gas Works • Refer to ‘high quality bus interchange’; to proximity of SDNP; reflect changes to CP7; 	<ul style="list-style-type: none"> • Reflect findings of the Energy Study. Response to representation by Coast to Capital LEP and BHEP. • Address Retail Study update 2011and representations. • Amend error in leisure floorspace figure; respond to representations and findings of the Employment Land Study • Update. Reflect changes in structure of health provision • To address comments by Southern Water about infrastructure. • Address issues raised by Coast to Capital LEP and BHEP about contamination and deliverability of housing • Address representations • in response to the Transport Assessment <ul style="list-style-type: none"> • Address comments about viability • Update – Employment Land Study Review 2012 and representations • Address representations • consistency

City Plan Policy Number and Title and summary	Type of Change Proposed	Reason
<p>DA3 Lewes Road Strategy is to promote and enhance the role of this area for higher education in Brighton & Hove. Also to facilitate improved sustainable transport infrastructure to encourage different transport uses and reduce the impact of traffic; secure improvements to the townscape, public realm and air quality; deliver biodiversity improvements and additional amounts of housing, student housing, employment and community facilities to increase opportunities for and to meet the needs of the local communities.</p> <p>Strategic allocations are made for Preston Barracks and Brighton University; Woollards Field South and Falmer released land (former Falmer High School). Overall amounts of development: 885 residential units; 15,600 sq m employment floorspace; 16,000 sq m Business School and academic floorspace; 1300 student rooms and Community Building at Bevendean.</p>	<p>Minor policy text amendments:</p> <ul style="list-style-type: none"> • Add reference to protecting setting of National Park • Added reference to employment opportunities • Policy A 5 Add “accessible” before “shopfronts.” • Policy A 7 Add “or traffic noise.” • Amended figure for number of residential units from 885 to 810 • Add new A9 to policy to work with ESCC and Highways agency to improve performance of Falmer interchange. • Added references to connections to water supply and sewerage systems and to protection of groundwater • Added reference to need for training place agreement • Reference to district heating networks • Minor supporting text amendments: • One Planet Living text added. 	<ul style="list-style-type: none"> • Response to consultation response from South Downs National Park Authority • Response to HEQIA recommendations • Response to consultation • Response to consultation • Reflect housing delivery summary tables based on SHLAA Update 2012 • Response to findings of the Transport Assessment • Response to consultation response from Southern Water • Response to HEQIA recommendations • Recommendation from Energy study

City Plan Policy Number and Title and summary	Type of Change Proposed	Reason
	<ul style="list-style-type: none"> • added reference to co-ordination with adjoining authorities for improved transport linkages • Added reference to public transport access to SDNP. • Para 3.27 – amend to “Better air and noise quality”. Amend references to bus and rail references • Para 3.33 of supporting text – added reference to other employment generating uses 	<ul style="list-style-type: none"> • Response to consultation • Response to consultation • Response to consultation and Transport assessment. • To reflect policy and interest expressed for use as an Ambulance Make Ready Station
<p>DA4 NEQ and London Road Strategy for the area is to revitalise the London Road shopping district; create a major new business quarter for the city (incorporating an additional 20,000 sqm office floorspace across several sites) connecting London Road with the New England Quarter and maintain and enhance a “green gateway” to the city to the west of Preston Road.</p> <p>Local priorities include supporting improvements in vocational training and further education in the area; ensuring that improvements to local air quality and the public realm are achieved; improved sustainable transport measures; strengthening the links between the New</p>	<ul style="list-style-type: none"> • Minor policy amendments: • 3.34 – 3.36 additional text referring to NCN 20 and Providence Place; amendments to Open Market Reference and amendments to one Planet Living Reference • Part 6 – inclusion of reference to noise quality • New local priority - Development within this area will be expected to incorporate infrastructure to support heat networks subject to viability • Part 7 inclusion of reference to public spaces 	<ul style="list-style-type: none"> • In response to representations • In response to representation raising reference to Noise Action Plan (see LTP and JSNA) • In response to findings of the Brighton & Hove Energy Study. • Improving effectiveness of policy (also reflects Lively Cities work)

City Plan Policy Number and Title and summary	Type of Change Proposed	Reason
<p>England Quarter, London Road and the North Laine shopping areas and strengthening the digital media and creative industries business cluster in the area by helping to ensure that workshops and premises remain affordable, appropriate and available for use.</p> <p>Strategic allocations are made to secure 20,000 sqm additional office floorspace; to safeguard New England House as the city's creative industry and digital media hub and achieve mixed use (office/residential) development at 125 – 163 Preston Road</p> <p>Overall amounts of development: 1,140 residential units; 20,000 sqm office floorspace and 300 student rooms.</p>	<ul style="list-style-type: none"> • Part 8 – change of terminology of cluster as CDIT • Section B – amounts of development updated • C. Strategic Allocation 1 NEQ and London Road Area – site a) amendment employment floorspace figures • C. Strategic Allocation 1i) – NEQ and London Road Area – amendment reference to CDIT • C. Strategic Allocation 1v) – new criterion relating to local training • C. Strategic Allocation 2) – amend reference to CDIT • C. Strategic Allocation 3) – 2 new criterion 	<ul style="list-style-type: none"> • In response to representation (Wired Sussex, BHEP and LEP) • Housing figures amended to reflect SHLAA 2012 update and to clarify that 300 bed spaces is not a minimum in response to representations. • No net loss of employment floorspace – in response to representation and findings of capacity study which indicate that there may capacity and townscape issues for additional employment floorspace and residential on this site. • Consistency and in response to representation (Wired Sussex, BHEP and LEP) • In response to HEQIA • Consistency and in response to representation (Wired Sussex, BHEP and LEP) • In response to HEQIA,

City Plan Policy Number and Title and summary	Type of Change Proposed	Reason
	<p>relating to local training and sewerage capacity and updated housing figures</p> <ul style="list-style-type: none"> • Minor supporting text amendments: • 3.43- 3.44, 3.46 – 3.47 – additional text to reflect policy amendments regarding sewerage, NCN20, heat network infrastructure, noise quality and the open market • Addition to footnote explaining affordable workspace 	<p>representations (Southern Water) and in response to updated SHLAA 2012</p> <ul style="list-style-type: none"> • In response to representations
<p>DA5 Eastern Road and Edward Street Secure significant improvements to the public realm and townscape by making the area more attractive, accessible and safer for residents, employees and visitors and contribute towards increased business investment in the area. Help secure additional high quality employment floorspace in the Edward Street Quarter, more efficient use of employment sites and facilitate a high quality, sustainable mixed use development on the former Municipal Market, Circus Street.</p> <p>Strategic site allocations made for the Royal Sussex County Hospital; Edward Street Quarter, Circus Street and for Freshfield Road Business Park and Gala Bingo Hall.</p>	<p>Main Policy Amendments:</p> <ul style="list-style-type: none"> • Local priorities reference to potential for district heating; • Amounts of development expected at Edward Street Quarter reduced: 30,000sqm to 15-20,000sqm B1s and from 165 residential units to 65. Reference to public realm improvements and ancillary uses permitted. • Freshfield Road Business Park and Gala Bingo Strategic Allocation– Reduce residential units from 215 to 110. <p>Minor supporting text amendments:</p> <ul style="list-style-type: none"> • Policy will help to deliver against the local targets under the One Planet Living principles; 	<ul style="list-style-type: none"> • Recommendation for Brighton & Hove Energy Study 2012 • Consultation Response and reflects findings of a Capacity Study undertaken by Amex which indicated site capacity/ deliverability issues. • Response to recommendations of the Employment Land Study Update that estate is effective and serves an important role in the city. <ul style="list-style-type: none"> • In response to representations

City Plan Policy Number and Title and summary	Type of Change Proposed	Reason
<p>Overall amounts of development: 600 residential units; 33,200 sqm employment floorspace; 74,000 sqm hospital floorspace; 400 student rooms and 3,800 University education floorspace with Dance Studio.</p>	<ul style="list-style-type: none"> • Reference to conservation areas; • Amendments related to policy text amendments 	
<p>DA6 Hove Station Secure long term regeneration opportunities around Hove Station and enable its development as an attractive and sustainable employment-led mixed use area. Through redevelopment, secure public realm and townscape improvements focusing on the Conway Street area and the industrial/ retail frontages along Sackville Road, Old Shoreham Road and Goldstone Lane as well as public safety, environmental and open space improvements. Enhance the sustainable transport interchange at Hove Station and protect identified employment sites. Strategic allocation for Conway Street Industrial Area. Overall amounts of development: 575 residential units; 4,000 sqm employment floorspace.</p>	<p>Main Policy Amendments:</p> <ul style="list-style-type: none"> • Change emphasis in opening paragraph from employment-led to employment focussed and emphasis on the efficient use of land through, predominantly employment and residential, mixed use developments. • Add to local priority – require high quality design of an acceptable height, mass and scale that takes into account impacts on factors such as townscape, strategic views and infrastructure • Add to local priority emphasis on open space, community facility provision and acceptable sense of place • Add to local priority encouraging accessibility improvements over the railway at the station and beyond. • Include priority on to district heating networks • Include priority on protecting groundwater sources from pollution and reference to sewerage capacity 	<ul style="list-style-type: none"> • Reflect updated assessment of potential of area to accommodate additional employment floorspace – Employment Land Study Review 2012 • In response to representations • Recommendations from Energy Study • Response to representation (Southern Water)

City Plan Policy Number and Title and summary	Type of Change Proposed	Reason
	<ul style="list-style-type: none"> Floorspace figures revised for area as a whole: residential increased to 630 and employment floorspace amended to reflect changes to Conway Street allocation; Conway Street Strategic Allocation – amend amount of development from replacement (18,000sqm) and an additional 3000sqm office space and 150 residential units to replacement of 12,000sqm employment space and provide 200 residential units.; New criteria DA4.c.1.e the developer will enter into a training place agreement to secure training for local people 	<ul style="list-style-type: none"> In light of updated assessment – Employment Land Study Review 2012 of the potential of the allocation to accommodate additional employment land and in response to representations Recommendation from HEQIA
<p>DA7 Toad’s Hole Valley Secure a modern, high quality and sustainable mixed use development which achieves One Planet Living principles to help meet the strategic development needs of the city for housing, employment, education and new open space and also to improve accessibility and provide new community facilities to share with adjacent neighbourhoods.</p> <p>A strategic allocation is made for Toads Hole Valley, east of the designated SNCI Overall amounts of development: minimum of 700 residential units; 25,000 sqm employment floorspace; a new secondary school; 2 ha new public open space,</p>	<p>Main Policy Amendments:</p> <ul style="list-style-type: none"> Part A2 local priorities and para 3.77 supporting text - Amend from One Planet Living principles to a One Planet Approach Part A3 local priorities and C1d relating to National Park - Amend from ‘complements’ the SDNP and there will be no adverse impacts to ‘development should respect the setting of SDNP and its purposes Part A4 add development benefit - Amend to add ‘training and job opportunities for local people’ Additional part added to Section A of the policy and new sections to the supporting text and new section k to part C1. New part – provide necessary infrastructure for the 	<ul style="list-style-type: none"> In response to protocol with Bio-Regional and in response to comments made Amend references to impact on National Park to standard wording in response to comments Amended in response to the findings of the HEQIA Response to comments made to objectors in relation to concerns regarding lack of infrastructure and in response

City Plan Policy Number and Title and summary	Type of Change Proposed	Reason
<p>supporting uses, food growing space 0.5ha; energy and green infrastructure.</p>	<p>development including water and sewerage infra. Supporting text sections added under 3.81 on connecting to water and sewerage off site.</p> <ul style="list-style-type: none"> • Amend bullet 5 part B - Add ancillary to supporting uses in Part B • Amend C1 f - Remove first sentence – which states that development should contribute to a reduction the ecological footprint of the city • Part C1 j - Amend j from outlining the requirements for a Transport Assessment to addressing issues of highways safety, noise and linkages to established residential areas • C1k – Add ‘with connections to existing cycle infrastructure’. • Amend Part C1 o (formerly n) and update paragraph 3.76 supporting text - Remove reference to Supplementary Planning Document and replace with Planning Brief • New C1q – Add – Work in partnership with the Highways Agency and developer to improve the trunk road junction which will be addressed in planning brief 	<p>to Southern Water.</p> <ul style="list-style-type: none"> • Editorial change for clarity – supporting uses should be ancillary only • In response to comments made that this may not be achievable. • In response to comments made – it is accepted that a TA will be required as part of the planning application. • In response to Transport Assessment • Planning Brief is a preferred approach and in response to comments • In response to the Transport Assessment

City Plan Policy Number and Title and summary	Type of Change Proposed	Reason
	<p>Minor supporting text amendments:</p> <ul style="list-style-type: none"> • Para 3.75 Minor wording changes • Para 3.77 reference to sustainable building mitigation measures to achieve standards • Para 3.79 Additional explanation for the density range set out in the policy. • Para 3.80 start - Amend wording on amount of office/emp floorspace to remove range and have a minimum of 25,000sqm • Para 3.80 end - Amend wording relating to possible informal Park and Ride emphasising it 'may' be considered subject to meeting criteria in policy CP9 • Amend C1j and new paragraph 1 below 3.81 New part j to policy text and explanatory text on Energy Study and District Heating Networks • New paragraph 3 below 3.81 Phasing Development – paragraph added seeking community and supporting uses to be completed prior to occupation of the first phase of residential accommodation. • New paragraph 3 below 3.81 • Para 3.83 Reference added to providing off-street parking in accordance with maximum 	<ul style="list-style-type: none"> • Editorial – more clarity • In response to the Energy Study • In response to comments • For clarity and to correspond more closely with the wording of the policy. • Amended in response to comments • In response to the findings of the Energy Study • In response to the findings of the HEQIA and in response to concerns raised by local residents • Office development should be delivered alongside the residential phases of development. • In response to concerns raised by local residents
