F.A.O Emma Bricknell

Hi Emma.

With regard to the above application which is scheduled for hearing on the 18th March, I write to confirm that my client has offered a reduction in trading hours for the sale of alcohol. We would like the application to now read the sale of alcohol from Monday to Sunday inclusive between the hours of 08:00 to 21:30.

I have already advised David Bateup of this change.

Please could you circulate this change amongst the members prior to the scheduled hearing.

Many thanks
