| Strategic Area | Unit (Level 42) | Service Area | Reason | Amount £'000 |
|-------------------|---|--|---|-----------------|
| Non Grant Areas | | | | |
| People - Children | Commissioner - Children, Youth & Families | Individual Budgets | The individual budget pilot, which started in 2012/13, needs a longer lead in time. Some external factors relating to training available from In Control plus recruitment of families has taken longer than anticipated. This has resulted in a need for the pilot to be extended into 2013/14 and some unused resources in 2012/13. | 75 |
| People - Children | Commissioner - Children, Youth & Families | Independent Reviewing Officers | Request to carry forward £6k to 2013/14 in order that children's services and the independent reviewing services can advance plans to pilot voice activated software. The purpose of the pilot is to evaluate any productivity gains that may be achieved in terms of reducing the amount of time social workers spend at their computer. Our business case has been agreed and the pilot is due to start in April. | 6 |
| People - Children | Commissioner - Children, Youth & Families | Local Safeguarding Children's Board (LSCB) | The Child Workforce Development Council (CWDC) grant was not fully spent in 2012/13. The terms and conditions of the grant allow LSCBs to carry forward unspent grant to future years. The unspent amount of £15k is committed in 2013/14 for the implementation of a quality assurance framework as per the funding conditions of the grant. | 15 |
| People - Children | Delivery - Children & Families | Adaptations | Commitments made for adaptations to homes with disabled children where delays in progress of the work have resulted in completion of the project now being in 2013/14. A carry forward is requested. | 38 |
| People - Children | Delivery - Children & Families | Brightstart nursery | To complete some essential building work on the nursery and includes recommendations from a fire inspection to upgrade the electrics. Some unforseen additional works have delayed the programme of work and caused additional costs. | 20 |

| People - Children | Delivery - Children & Families | Children In Need Team (CIN) | Funding secured for a substance misuse worker in 2012/13 cannot be committed until 2013/14 due to delays in recruitment. | 15 |
|--|-----------------------------------|---|---|-----|
| People - Children | Delivery - Children & Families | Educational Psychology Service | To pay for the final year of a two year employment of 2 student Educational Psychologists placed with Brighton and Hove. They will undertake casework and carry out research. This project work is essential to obtain specific understanding of what was happening in individual schools and the protective factors which may result in different outcomes for pupils with similar risk factors. The project work is looking at better ways of working with troubled families and other risk factors such as SEN/Complex needs. | 22 |
| People - Adult | Commissioner - People | Commissioning - Adult Social Care | Balance of Department of Health funding to support joint social care and health projects continuing into 2013/14. Delays in approving some of the projects has resulted in an underspend in 2012/13. The carry-forward will enable these projects to continue and will help deliver on-going benefits to social care and health - in line with the conditions of the funding. | 150 |
| People - Adult | Delivery - Provider | Able & Willing | There have been delays in the ordering of the new vehicle required for Able & Willing. Firstly the need to ensure the vehicle has the correct specifications to ensure it is suitable for staff with disabilities has caused delays as it is important that the specification is correct. Secondly there have been some unavoidable management shortages due to delays in recruitment to a vacant post which have impacted on time available to progress this order. Able & Willing are continuing to use their old, inefficient vehicle but the number of drivers are limited due to lack of specific adaptations. | 31 |
| Environment, Development & Housing | Transport | Highways Engineering and Projects | Surface Water Action Management Planning Grant funding | 605 |

| Environment, Development & Housing | Planning & Public Protection | Planning Strategy | Balance of funding for City Plan examination (2012/13 £100k), examination of Plan due September 2013. | 74 |

| Environment, Development & Housing | Planning & Public Protection | Public Safety | Health Trainer programme, refundable to the commissioner if not spent. | 76 |
| Environment, Development & Housing | Housing | Homelessness | We have purchased IT modules from Locata for Housing Options and Homelessness. The system is due to go live at the end of April 2013, which has slipped from beginning of March 2013; we require a carry forward for implementation and for data cleansing. | 12 |
| Environment, Development & Housing | Housing | Homelessness | The Preventing Offender Accommodation Loss (POAL) project is a sub regional budget between Brighton & Hove, Lewes and Hastings Councils along with Lewes Prison. This is specific funding awarded by the Department of Communities & Local Government which we hold on behalf of our sub regional partners and will be required in the next financial year to reduce re-offending and to improve health, housing and social care for short-term prisoners with complex problems leaving HMP Lewes and returning to the city of Brighton & Hove. | 62 |
| Environment, Development & Housing | Housing | Private Sector Housing | Identified legal costs for the potential public enquiry relating to a compulsory purchase order on a property in Chester Terrace. There was £30k in this year's budget as the Public Enquiry was expected to take place this financial year. However, to be ultimately successful in pursuing the CPO the council needs to evidence that it has dealt reasonably with all issues raised by the other side. | 28 |

| | | | This has resulted in the enquiry not yet having taken place and only legal fees amounting to £2k have become due for payment in 2012/13. | |
|--|---|---------------------------------|---|-----|
| Environment, Development & Housing | Housing | Temporary Accommodation | Procurement of the Abritas rent accounting system for Seaside Homes properties and Bed & Breakfast. The system has been commissioned and is in the process of being developed but there was a delay in the project approval and specification of the system which means the implementation date has slipped from March 2013 to July 2013. | 23 |

| Resources | Human Resources | Workforce Development | Salaries to create capacity/resource to support SWIF/Transformational workstreams. Only £12k of £35k budget spent as resourcing needs did not materialise because progress on workstreams (above) delayed. | People - Children | Commissioner - Children, Youth & Families | Stronger Families Stronger Communities (SFSC) | The Stronger Families Stronger Communities (SFSC) programme started in April 2012 and is Brighton & Hove's response to the national Troubled Families initiative. The programme aims to reduce anti-social behaviour, improve educational attendance and reduce worklessness. The target is to work with 675 families over a 3 year period. Because of the time required to set up the delivery team (Integrated Team for Families ITF) mainly the recruitment and start of the family coaches, there is an underspend of £593k. The funding source provided by DWP has no restrictions on carrying forward of any underspend. A carry forward request is made for this underspend as without this funding, B&H City Council will be unable to meet the Government target of supporting 675 families. Also, the funding is needed to ensure the team is as effective as possible with purchasing of expert advice as needed and therefore is able to maximise 'payment by results' element. | 591 |
| People - Children | Commissioner - Learning & Partnership | Dedicated Schools Grant (DSG) | Under the Schools Finance Regulations the unspent part of the DSG must be carried forward to support the Schools Budget in future years. | 1,089 |
| Env, Dev & Hsg (Place) | City Regeneration | Economic Development | The Portas Pilot funding from DCLG was planned to be spent across several financial years. The Brighton London Road Town Team is one of 27 out of over 400 applicants to receive Portas Pilot status, and whilst we hold the money, the partnership responsible for the project includes businesses, residents, education providers and support organisations. If the grant funding is not retained then the consequences in terms of relationships with these stakeholders, the local media and central Government | 83 |

| | | | could be serious. It is also likely that central Government would request that we return the grant funding; hence it is | |
