

WRITTEN QUESTIONS FROM MEMBERS OF THE PUBLIC

A period of not more than fifteen minutes shall be allowed at each ordinary meeting for questions submitted by a member of the public who either lives or works in the area of the authority.

The following written questions have been received from members of the public.

(a) Dave Baker

“Can you assure me that despite the pressure that council budgets are under, that funds allocated to public health in Brighton and Hove will not be diverted to other council activities?”

Are you concerned with possible implications that health provision in B&H may be commissioned from firms who are focused on making profits?

The Health and Wellbeing Board is one of the means of ensuring some democratic accountability of the policies of the Brighton and Hove Clinical Commissioning Group. Will the H&WB Board use its influence to restrain the possibility of the CCG privatising our NHS?”
