NOTICE OF MOTION

FOOD BANKS IN THE CITY

This council acknowledges the key role that foodbanks, operated by FareShare Brighton, play in helping those in food poverty across the City.

With recent statistics showing a 38% increase in the usage of these foodbanks in 2013, This Council resolves that a report be brought to the next Policy & Resources Committee to outline what options the authority has to further support foodbanks in the City, building on the recent collections of non-perishable food items at Council Customer Service Centres.
