LABOUR & CO-OPERATIVE GROUP AMENDMENT

Replace the recommendation in full as shown ***bold italics*** below.

RECOMMENDATIONS

- ~~2.1 That Policy and Resources Committee agree that the Council can enter into a contract, in partnership with the CCG, with the equipment provider selected by West Sussex County Council (WSCC) as set out in Option 1 in 2.6 in Appendix 1, and delegates authority to the Executive Director Adult Care and Health to take all steps necessary to award the contract.~~
- 2.1 That Policy and Resources Committee defer the decision on awarding the contract and request that the Executive Director Adult Social Care and Health investigate on an urgent basis the possibility of establishing a viable option around a local NHS or voluntary sector service employing existing staff, working in co-operation with other NHS Trusts in the city, and using capital receipts from the disposal of the current site to establish a new centre under local public or voluntary sector management.***
