## FOR GENERAL RELEASE

### 1. SUMMARY AND POLICY CONTEXT:

- 1.1 The government white paper "[Valuing People, a New Strategy For The 21st Century](#) (DoH 2001)" told all local authorities to set up learning disability partnership boards. It is the Partnership Board's role to oversee and help the planning and development of services that really help local people with learning disabilities. The Partnership Board is a local "champion" for people with learning disabilities.
- 1.2 The Joint Commissioning Board and the Cabinet Member for Housing agreed to receive a formal report of the work of the Learning Disability Partnership Board. This is to ensure that the Partnership Board is properly accountable to governance arrangements that are embodied through the Joint Commissioning Board for the City Council and Primary Care Trust and through the cabinet system for the city council.
- 1.3 It was originally envisioned that the Partnership Board would submit reports twice per year. However, the Partnership Board recently decided to request an annual reporting structure, which will eventually be matched to the financial year cycle.
- 1.4 '[Valuing People Now](#)' (DoH 2009) requires that all Learning Disability Partnership Boards produce an Annual Report.

### 2. RECOMMENDATIONS:

- 2.1 That the Joint Commissioning Board note the report and endorse the work of the Learning Disability Partnership Board.
- 2.2 That the Joint Commissioning Board agree to receive annual, rather than six-monthly, reports from the Partnership Board

### **3. RELEVANT BACKGROUND INFORMATION/CHRONOLOGY OF KEY EVENTS:**

- 3.1 The requirement to produce a report on the work of the Brighton and Hove Learning Disability Partnership Board was in part a response to the Cornwall (2006) and the Sutton & Merton (2007) Investigation Reports in to abuse of people with learning disabilities in NHS provision for people with learning disabilities in these two Trusts.
- 3.2 The Partnership Board receives a report every 6 months on the Safeguarding work undertaken by the Brighton & Hove Community Learning Disability Team. This report advises the Partnership Board on numbers and levels of alert and types of abuse and action taken. This gives the Partnership Board an overview of how we are keeping people with learning disabilities safe. This information is also contained within the Safeguarding Annual Report produced by Adult Social Care.
- 3.3 The Joint Commissioning Board received a report from the Learning Disability Partnership Board on 10<sup>th</sup> December 2007.
- 3.4 In 2008 the Partnership Board agreed that annual reports are a more efficient use of resources than six-monthly reports.

### **4. CONSULTATION**

- 4.1 The members of the Learning Disability Partnership Board have approved the attached annual report.

### **5. FINANCIAL & OTHER IMPLICATIONS:**

#### **5.1 Financial Implications:**

The Learning Disabilities Partnership Board determines the allocation of the Learning Disabilities Development Fund (LDDF) originally funded by the Department of Health and now part of the Area Based Grant. The Appendix describes the projects funded in 2007/08 totalling £288,320 against the LDDF allocation of £238,000 and balance brought forward from the previous year. The LDDF funding allocation is £231,000 in 2008/09, which has been allocated to specific projects, as described in the Appendix, contributing to the Valuing People Now objectives. The LDDF allocation for 2009/10 will be £232,000 subject to confirmation of the Council's budget.

## **6. EVALUATION OF ANY ALTERNATIVE OPTION(S):**

- 6.1 No suitable alternative options are available. [‘Valuing People Now’ \(DoH 2009\)](#) requires that all Learning Disability Partnership Boards produce an Annual Report.
