FOR GENERAL RELEASE

1. PURPOSE OF THE REPORT

- 1.1 To review a Premises Licence for White Horse under the Licensing Act 2003

2. SUMMARY OF REVIEW PROCESS

- 2.1 Existing licence attached Appendix A.
- 2.2. Brighton & Hove City Council is both the relevant licensing authority and a responsible authority in respect of any premises, and may in its capacity apply under Section 51 of the Licensing Act 2003 for a review of any premises licence in respect of the premises.
- 2.3 An application was received by the Licensing Authority from the Environmental Protection team, to review the licence granted to the premises known as White Horse, Camelford Street, Brighton, East Sussex, BN2 1TQ
- 2.4 The grounds for the review relates to the following Licensing objective:
- Prevention of Public Nuisance
- 2.5 At this hearing the licensing authority must:
- Consider the application made in accordance with Section 51
 - Consider any relevant representations
 - Take such steps (if any) as are considered necessary for the promotion of the Licensing objectives. These steps are

- to modify the conditions of the licence
- to exclude a licensable activity
- to remove the designated premises supervisor from the licence
- to suspend the licence for a period not exceeding 3 months, or
- to revoke the licence.

And for this purpose the conditions of a premises licence are modified if any of them is altered or omitted or any new condition is added. It may provide that the modification or exclusion have effect for a specified period not exceeding 3 months. The determination, if not completed at the hearing, shall be within 5 working days of the hearing. Such determinations do not have effect until after the appeal period or, if an appeal is lodged, until after the appeal is disposed of.

3 REPRESENTATIONS RECEIVED

- 3.1 Details of the representations made are notified to applicants on receipt by the Licensing Authority using a pro-forma. A summary appears below:
- 3.2 Twelve representations have been received from local residents on the grounds of the Prevention of Crime and Disorder and Prevention of Public Nuisance supporting the application submitted by the Environmental team.
- 3.3 Full details of the representation are attached in Appendix C

4. COMMENTARY ON LICENSING POLICY

- 4.1 The following extracts from Brighton & Hove Licensing Policy are considered relevant to this application and numbered as they appear in the policy:

General

- 1.2 The licensing objectives are:-
 - (a) Prevention of crime and disorder;
 - (b) Public safety;
 - (c) Prevention of public nuisance;
 - (d) Protection of children from harm.
- 1.3 Licensing is about regulating licensable activities on licensed premises, by qualifying clubs and at temporary events. Any conditions attached to various authorisations will be focussed on matters which are in the control of individual licensees and others with relevant authorisations, i.e. the premises and its vicinity.

- 1.5 Each application will be given individual consideration on its merit. Nothing in this policy shall undermine the right of any individual to apply under the terms of the Act for a variety of permissions and to have any such application considered on its individual merits. Similarly, nothing in this policy shall override the right of any person to make representations on an application or seek a review of a licence or certificate where provision has been made for them to do so in the Act
- 1.15 Licensing law is not the primary mechanism for the general control of nuisance and anti-social behaviour by individuals once they are away from the licensed premises and, therefore, beyond the direct control of the individual, club or business holding the licence, certificate or authorisation concerned. Licensing is about the control of licensed premises, qualifying clubs and temporary events within the terms of the Act, and the conditions attached to licences, certificates and permissions will be focused on matters which are within the control of the licensee and will centre on the premises themselves and their immediate vicinity. When considering these terms and conditions the licensing authority will primarily focus on the direct impact of the activities taking place at the licensed premises on members of the public living, working or engaged in normal activity in the area concerned.

In respect of the prevention of crime and disorder

- 2.2 The licensing authority acknowledges that training and good management play a key part in preventing alcohol and drug related crime. The authority recommends that all licensees of on-licensed premises attend training programmes which will raise their awareness of the issues relating to drugs and violence in licensed premises, and that suitable training be extended to all bar staff and door staff so that drug dealers and users will be deterred from using licensed premises for illegal purposes and that incidents of violence in licensed premises will be reduced. Licensees are also encouraged to attend training programmes to help identify children at risk and issues of basic child protection.
- 2.3 It is expected that the designated premises supervisor (DPS) will spend a significant amount of time on the premises. When not on the premises it will be essential that the DPS is contactable, particularly should problems arise with the premises.
- 2.5.1 Diversity of premises
This attempts to ensure that there is a mix of the different types of licensed premises, particularly in areas where there is a high density of such premises. It will provide resilience against

changing trends and attract a more diverse range of customers from different age groups, different communities of interest and with different attitudes to alcohol consumption. It gives potential for positively changing the ambience of the city or an area of it. This in turn may have a positive effect in reducing people's fear of crime and in increasing the number of evening visitors to the city centre. The Community Safety Strategy recognises that too many single uses in a confined area and patrons turning out onto the streets at the same time, may create opportunities for violent crime and public disorder and therefore encourages mixed use venues, varying hours of business and a wider age balance.

2.5.5 Care, control and supervision of premises

The effective management and supervision of a venue is a key factor in reducing crime and disorder, both within it and outside. The Police will consider the applicants, objecting to the application where appropriate. The Police will suggest crime prevention measures in relation to, for example, the internal layout of the premises, close circuit television, help points, lighting and security staff. The Police may ask for conditions which support such measures to be imposed when planning or licensing applications are granted, e.g. type of licence, capacity, opening time restrictions.

- 2.8 Enforcement issues will be considered in the light of any relevant enforcement policies and close links will be sought between all enforcing authorities, e.g. through the use of intelligence sharing and strategy groups. Such protocols may lead to the targeting of agreed high risk and problem premises whilst permitting a lighter touch approach in respect of well run premises.

In respect of the prevention of public nuisance

- 4.1 In determining applications for new and varied licences, regard will be had to the location of premises, the type and construction of the building and the likelihood of nuisance and disturbance to the amenity of nearby residents by reason of noise from within the premises, or as a result of people entering or leaving the premises or from individuals or groups of customers gathered outside (e.g. in order to smoke)
- 4.4 Installation of sound limiting equipment and sound insulation may be required to minimise disturbance to the amenity of nearby residents by reason of noise from the licensed premises.
- 4.5 Staggered closing times will not be used to combat binge drinking disorder and antisocial behaviour. Zoning will be avoided. A general principle of later opening so that customers

can leave for natural reasons, slowly over longer periods will be promoted, to prevent unnatural concentrations of people. The location of violent attacks, anti-social behaviour and hate crime or related incidents may be used to justify closing times.

- 4.7 In determining applications for new licences or extensions in hours or terminal hours of licensed premises, regard will be had to late night public transport availability and location of taxi ranks to aid dispersal of customers.
- 4.8 Regard will be had to any history or likelihood of nuisance. Generally, favourable consideration will be given to applications for later hours in the city centre and on busy main roads. Powers may be exercised to impose conditions as to hours of opening in order to avoid unreasonable disturbance to residents of the neighbourhood.

Strategic Integration

- 6.5 Specific conditions may be attached to premises licences to reflect local crime prevention strategies. Such conditions may include the use of closed circuit television cameras, the provision and use of shatterproof drinking receptacles, drugs and weapons search policy, the use of registered door supervisors, specialised lighting requirements, hours of opening.
- 6.7 This policy avoids duplication with other regulatory regimes wherever possible.

5. FINANCIAL & OTHER IMPLICATIONS:

5.1 Financial Implications:

The Licensing Act 2003 provides for fees to be payable to the licensing authority in respect of the discharge of their functions. The fee levels are set centrally at a level to allow licensing authorities to fully recover the costs of administration, inspection and enforcement of the new regime

Finance Officer Consulted: Karen Brookshaw Date: 23.02.2009

5.2 Legal Implications:

The licensing authority must have regard to the guidance issued by the Secretary of State in carrying out its functions.

The licensing regime imposes general duties on licensing authorities:

- The prevention of crime and disorder
- Public safety
- The prevention of public nuisance
- The protection of children from harm

5.3 Equalities Implications:

Diversity is valued and strong, safe communities are vital to future prosperity. Licensing policy aims to protect children from harm including sale and supply of alcohol to children.

5.4 Sustainability Implications:

Licensing policy aims to prevent public nuisance and develop culture of live music, dancing and theatre.

5.5 Crime & Disorder Implications:

Licensing policy aims to prevent crime and disorder and protect public safety.

5.6 Risk and Opportunity Management Implications:

Licensing is a crucial business and employment opportunity and unnecessary regulation might lead to legal challenge.

5.7 Corporate / Citywide Implications:

The success of the city's tourism strategy requires a safe, attractive city centre to improve competitiveness. The Act may significantly change night time economy.

Please state the ground(s) for review (please read guidance note 1)

Following many complaints to this department about noise from amplified music and amplified voices emanating from The White Horse, a noise abatement notice was served under the provisions of the Environmental Protection Act 1990 on Simon Thompson and Roger Aiano, joint lessees and occupiers of The White Horse, on 6th November. The complaints continued after service of this notice, and on 24th November a breach of the notice was witnessed by two officers. On the same night, a statutory nuisance was witnessed in respect of noise from customers occupying the rear yard area of the pub, and a further noise abatement notice was served. This had also been the subject of many complaints over the preceding months.

For the prevention of public nuisance, I propose that the following conditions be applied to The White Horse's premises licence:

- Removal of the Performance of Live Music and Performance of Recorded Music licensable activities
- No karaoke to take place in the premises at any time
- A porch to be installed at the front entrance and secondary glazing to be installed on the front windows to the premises
- No tables and chairs to be placed in the rear yard at any time
- No heaters to be installed or used in the rear yard at any time
- No more than five people to be allowed into the rear yard at any time
- The use of the rear yard to be prohibited after 23.00 hours

Please provide as much information as possible to support the application
(please read guidance note 2)

This department has been receiving complaints from residents of Camelford Street and Margaret Street since 26th November 2007 about noise disturbance from The White Horse. The complaints relate to noise from amplified music and amplified voices, particularly during karaoke sessions, and voices of people occupying the rear yard of the public house.

Complaints were received in January, March, April, May and July 2008, and in October 2008 we received letters signed by 20 people representing 16 households in Margaret Street and Camelford Street. Throughout the course of this year, letters have been written to and conversations had with Simon Thompson, designated premises supervisor, about the complaints. Evidence has been gathered in the form of noise diaries, letters, visits by myself and other officers and DAT (digital audio tape) recordings.

On 6th November 2008 noise abatement notices were served under the provisions of the Environmental Protection Act 1990 on Simon Thompson and Roger Aiano, joint leaseholders and occupiers of The White Horse, in respect of a statutory noise nuisance from amplified music and amplified voices. This was done after having gathered evidence by way of noise diaries, visits and DAT (digital audio tape) recordings. In particular, the DAT recordings showed that noise during karaoke nights was particularly intrusive.

On 24th November 2008 two officers witnessed a statutory noise nuisance from customers using the rear yard area. Consequently, and having regard to the other evidence gathered in the form of diaries, DAT recordings and previous visits, a further noise abatement notice was served on 28th November 2008 in respect of noise from voices of people using the rear yard.

On 24th November 2008 two officers also witnessed a breach of the first noise abatement notice. Amplified music and vocals from karaoke were clearly identifiable within the front bedroom of a house in Camelford Street. This was despite having been warned by myself and my line manager Annie Sparks that since the service of the abatement notice we were continuing to receive complaints about noise from karaoke events.

In a subsequent telephone conversation and meeting, Roger Aiano accepted responsibility for this breach of the notice. Having consulted the Council's Enforcement Policy and taken advice from our Legal team, a decision has been made to formally caution Roger Aiano for the breach of this notice. Notwithstanding this, I feel that a review of the premises licence is an appropriate course of action to prevent further problems of public nuisance arising from this premises.
