Delete paragraphs 8.3 and 8.4 and replace with:</p> <p>The City Plan Part 1 Inspector's Report was received February 2016. This supports a housing provision target of 13,200 new homes for the city to 2030. It is against this housing requirement that the five year housing land supply position will be assessed once the Plan is adopted. The City Plan Inspector indicates support for the council's approach to assessing the 5 year housing land supply and has found the Plan sound in this respect. The five year housing land supply position will be updated on an annual basis.</p>

NB. Representations received after midday the Friday before the date of the Committee meeting will not be reported (Sub-Committee resolution of 23 February 2005).
