Dear Sir

**Re Application No: BH2015/04564**

I would like to make a late submission to the Planning Committee as one of the local councillors for North Portslade.

This is in regard to Planning Application No BH2015/04564 at the Mile Oak Inn, Mile Oak Rd, Portslade.

Whilst I appreciate that local opinion is very much divided on this application, I remain unconvinced that this proposal is appropriate for this site - both in terms of generation of extra traffic and the local environment itself.

I am aware that the Planning Officer may be minded to recommend acceptance. If this is the case, can I ask that a site visit be arranged for the committee, prior to any formal decision, so that there is a full understanding of the local area within which this retail unit will be built.

Yours Sincerely

Cllr Peter Atkinson  
North Portslade
